MNSURE: WHY ALL THE DIFFERENT NAMES?

Have you noticed all the names that come up when people start talking about health care? You might hear people ask, “How do I apply for MA?” or “I just want MNcare. How can I apply for that?” You might even find yourselves asking clients to apply for a specific program to cover the services they are receiving.

There is good news: There is only 1 application for all subsidized programs! It can be found on mnsure.org or by picking up a paper application at your local county office.

Why one application?

With the implementation of the Affordable Care Act, MN created MNSure to be a “one-stop-shop” for applying for health care coverage.

Positives of 1 application:

- Easy to keep track of current eligibility
- You only need to update changes – Mnsure will tell you what program you are eligible for.
