MN INSULIN ASSISTANCE PROGRAM IS HERE:

The Alec Smith Insulin Affordability Act has led to the introduction of insulin assistance programs that began 7/1/2020.

There are two programs to help individuals who can't afford their insulin.

Program #1:

Urgent Need Program:

This program is for individuals with less than 7 days of insulin remaining. Applications can be completed at your pharmacy.

Program #2:

Continuing Need Program:

For individuals who have a long term need for assistance paying for insulin. Call your local MNSure Navigator with Community Resource Connections for assistance with the manufacturer patient assistance program applications. CRC staff can be reached at 218-333-0880.

General Qualifications:

- Be a MN resident.
- Have a family income that is equal to or less than 400 % FPL.
- Not be enrolled in MA, MNcare, or eligible to receive prescriptions through the Department of Veterans Affairs.
- Not be eligible to receive health care through most federally funded programs, including Indian Health Services.

WHAT SHOULD I KNOW BEFORE APPLYING

- What insurance you have, if any.
- What manufacturer makes the insulin you use.
- Whether or not you have a current, valid insulin prescription on file with a pharmacy.
- What your family size is and the total income for your household.
- Whether or not you have access to fill a prescription at IHS.
