GREETINGS FROM CRC!

Our team is working hard to support our local communities!

During the pandemic, like many organizations in our community, we have transitioned to remote work. During this time, we do all the same work we completed before:

- Providing area referrals
- Guidance through the MNsure system
- Consultation regarding Social Security Disability application
- Applications for public benefits

Who do we help?

Anyone!

We are here to ensure that our community members connect to the services they need.

How much does it cost for our services?

Nothing!

We are grant and membership funded, in order that we may offer services free of charge to our clients.
