COMMUNITY RESOURCE CONNECTIONS

Keep your health insurance up-to-date!

MNsure's special open enrollment period ends 7/16/2021. While this means that you can't do a new enrollment in a private MNsure plan without a qualifying life event, it doesn't mean that you can ignore your health insurance case entirely!

Updates should still be reported as they occur. Things like a job change, marriage, birth of a child and moving to a new county can all affect how your insurance program works for you! Don't wait till you walk in for a medical or dental appointment to find out your insurance doesn't cover it!

What can you do to be proactive? If you've had a change, be sure to call your managing organization to report it ASAP! If you qualify for a new program, you will receive a letter in the mail notifying you and providing next step directions.

You can also call your provider for your upcoming appointment and confirm that your insurance is still active. Another option is to call the 1-800 number on the back of your insurance card to confirm active coverage and how much of your appointment will be covered by insurance.

RentHelpMN Updates:

- Minnesota Housing is still accepting applications for past due rent resulting from the impacts of Covid-19.
- The eviction moratorium is ending. If you are behind on rent, now is the time to get it paid and/or apply for assistance.
- Check with your landlord to see if they have registered to receive payment from this program.
- Be sure to work with your utility company on a payment plan BEFORE you receive a shut off notice!
