GETTING MAIL ABOUT YOUR HEALTH INSURANCE?

MNCare and QHP Renewals are happening now through January 15.

Two out of 3 of MNsure's health insurance programs have started renewals. You will be receiving mail soon if you have one of these programs: MNCare or Qualified Health Plans (QHP).

MNCare: Your mail should be what MNsure calls a "passive renewal". This means that your program renewal does not require any action. *What does require action?* If you want to select a different insurance provider for 2022! If you want to change the provider, make sure to follow the directions in the notice and submit the request **BEFORE** the due date!

Qualified Health Plans (QHPs): The renewal process has started! You will receive a renewal notice.

If it says "Auto Renewed": You do not need to do anything to continue coverage. If you want to change the insurance provider or plan, contact your MNsure broker as soon as possible!

If it says "Need to Renew": Review the renewal, cross off incorrect information and write in the correct information. Make sure that the renewal includes ALL members of your tax filing household. Ask questions if you have them! Contact your broker as soon as possible to make sure you have a plan selected for 2022!
