

MNSURE: DID YOU HEAR?

Do you have a Qualified Health Plan through MNSure?

Open Enrollment is coming up, which means MNSure needs your updated contact and household information. If you complete updates **BEFORE** September 15, your renewal paperwork will be far more accurate.

THEN watch for your renewal information to come in the mail in sometime in October.

Do you want your coverage to continue or start on 1/1/2023?

Open enrollment will begin 11/1/2022 and end 12/15/2022.

If you do not want your coverage to begin on January 1st, you will be allowed until January 15th to enroll in a Qualified Health Plan with coverage starting February 1st.

Enrolling or continuing coverage requires actions:

- Update your information
- Review your mail and/or emails
- Enroll or confirm enrollment
- Pay your premium
