

NEW FOR MNSURE NAVIGATORS!

Online Manual Account Requests:

A MNsured Navigator can now assist clients who are unable to create an account online by helping the client complete an online request for an account to be created by MNsured on their behalf! MNsured is calling it:

Online eForm Account Requests

Ask our MNsured Navigators for help with this process.

MNsured Navigator can upload requested documents:

Did MNsured request proofs such as income or ID? Our MNsured navigators can upload these documents on your behalf. This is much faster for you than sending them to MNsured by mail!

MNsured Navigators can help use the new “family glitch” comparison tool:

There is a new screening tool for families:

<https://www.mnsure.org/new-customers/apply/prepare/esi-tool.jsp>

This tool can be used to screen family members who may be eligible for tax credits even when Employer Sponsored Insurance (ESI) is offered to the household.

Please note: There is a new Appendix A (effective Nov. 1) to be used to identify information about ESI. Please use the newest form for accurate review of subsidy eligibility!

MNsured Navigators:

We are your advocate in a system that is unfamiliar or intimidating.

We help you navigate the system and understand your health insurance access.

We help you enroll in coverage or refer you to an appropriate broker.

Call a MNsured Navigator for help with your new MNsured application.

Call Community Resource Connections for assistance:
218-333-0880

Reminder About Open Enrollment:

Enroll by 12/15 for 1/1/2023 start of coverage

Enroll by 1/15 for 2/1/2023 start of coverage

ABOUT JAMIE

I enjoy helping people, I was in customer service for about 15 years. I have a background in teaching pre-k and middle school English. I aspire to be a published author. I enjoy reading, writing, video games, crafts, and the outdoors (hiking, camping, fishing, hunting). I live with my two young sons, husband, two dogs, a cat, and a bearded dragon so life is a little hectic in my house.

Thankful!

Thank you to the community members
and organizations who provided delicious
Thanksgiving meals to our neighbors!

FROM THE DIRECTOR OF COMMUNITY RESOURCE CONNECTIONS; RUTH SHERMAN

The board of directors for Community Resource Connections is ankle deep in planning for an early February 2023 Strategic Planning Session. Please be aware that the first week in January I will be sending out a link to the Directors of all Community Resource Connections member agencies and asking that you take a few minutes to answer some questions; providing your input concerning the future of this organization. The survey will indicate the desire for a 2 week turn around time, if possible.

We will not be sending a survey out to our clients, given the confidentiality of our work, but we would really appreciate the feedback of your staff and/or your clients concerning our work. What services are your staff and clients using? What would they like to see us doing? Where are we falling short and where are we doing well? Any comments or feedback you have would be appreciated and contributed to the information we are gathering from community stakeholders, member agencies, our Blackduck Advisory Team, Board Members and staff. Feel free to email comments directly to me at rsherman@crcinform.org or if you would be more comfortable sharing information with someone other than me you might contact our board chair; Miriam Osborne Dougherty at ozzymom86@hotmail.com or our Strategic Planning Facilitator Brandon Mustful at: brandon@mustfulstrategicconsulting.com.

FROM ALL OF OUR STAFF AT COMMUNITY RESOURCE CONNECTIONS WE WISH YOU AND YOURS A HAPPY HOLIDAY SEASON AND WE HOPE TO BE A HELPFUL PART OF YOUR 2023!
